# Summer Experience.

Wiley's commitment to its clients, people, and professional development begins in our summer associate program, our main source of attorney talent. Our summer associate program is designed to educate summer associates about the work that we do and our firm culture. Here's what our recent summer associates said about their summer experience.

## Guidance & Sponsorship

"My mentor has been invaluable; she checks in on me regularly and I feel comfortable asking her all kinds of questions."

"My experience this summer has been great! It is very easy to build relationships here, and everyone has been genuinely welcoming."

"My mentoring experiences this summer have been outstanding!"

"My mentor works in a practice area I am interested in and has helped me to integrate and learn a lot."

## Substantive Work

"The projects I have worked on have given me a good sense of the big picture, and I am being treated like a 'real' associate."

"I am getting work this summer that is unique to DC, and that's exactly what I hoped for."

"I like that matters are leanly staffed and you get to be trained by partners early in your career."

"I have gotten to pick many of my work assignments and focus on areas I am excited to learn about."

"I have had a chance to manage my own workload and take on as much responsibility as I can handle."

"The work has been great; I have not been limited in the amount of responsibility I can take on."

"This summer I have worked on very interesting cases, including a Supreme Court amicus brief."

## Feedback & Growth

"The summer program has provided a glimpse of what it will be like to be a 'real lawyer,' and that really appeals to me."

"I can already feel how invested the firm is in me; I have gotten meaningful assignments and received valuable feedback."

"I have really enjoyed the practice group presentations; they have been very informative and provide a good introduction to the lawyers here."

"I have enjoyed all the trainings this summer, and my mentor has been exceptional in giving me feedback."
